A composite image showing a healthcare professional in a white lab coat with a stethoscope, standing in front of a large digital interface. The interface is a patient management dashboard for 'HC 291873 Healthcare Center' and 'PATIENT 132-54/B'. It features a navigation bar with 'HISTORY', 'RECORDS', 'EXAMS', 'DIAGNOSIS', 'RESULTS', and 'PRESCRIPTION'. The main area contains several data visualization components: a 'NEW DATA AVAILABLE' notification, a 'BLOOD STRUCTION' pie chart, a 'BLOOD RESULTS' table, a 'PRESCRIPTION' card with a 'B' symbol, a 'BY DATE' list, a 'CONTACT' sidebar with 'MAIL' and 'INFO' buttons, a world map, a human silhouette with glowing points, a 'CALCULATING' progress bar, a 'VALUES' line graph, an 'INDICATORS' bar chart, and a 'CONNECTION STATUS' table. The doctor is smiling and has her arms crossed.
